Harry R. Seltzer, who died June 7, 1954, established by his last will and testament a fund with a principal of \$24,800 which according to his will was "to be used only for the purpose of assisting some worthy boys or girls who will become students at Lebanon Valley College, Annville, Pennsylvania or Bonebrake Seminary, Dayton, Ohio." (Bonebrake is presently known as United Theological Seminary).

Any qualified person affiliated with Palmyra First United Methodist Church may submit an application for scholarship funds from the earnings of the memorial fund which is paid biannually to "First Church" by the EPC Investment Loan Fund. Distributions from the investment fund are normally paid in November and May. The amount paid to any one applicant is determined by two factors. First, the total number of applicants, and second, the amount of interest earned. All applicants who have been approved for scholarship assistance will receive equal shares. The division of these monies is determined separately for both the Fall and Spring Semesters. In the event that there are no requests for a semester, the interest paid by EPC for that period will be held in Special Funds. These funds will be added to any subsequent interest income from EPC and paid in equal shares to qualified applicants. No more than two (2) periods of interest will be dispersed in any given school semester to qualified applicants.

In order to be eligible, applications must be received by **May 1** for the Fall semester and **November 1** for the Spring semester. Should your application be approved, a check will be mailed to the institution which you are attending to be credited to your account and a separate letter will be sent notifying applicant. In their consideration of a 'worthy person' the student must maintain a 2.0 grade point average. Special exceptions may be considered by the committee upon written request by the student.
